

2013 Auction Volunteer Frequently Asked Questions

Thank you for considering [volunteering](#) for the WWTAs Dinner Auction on May 4th, 2013. If you would like to know more about volunteering for the event, please contact WWTAs at auction@wwta.org or 206.545.9161.

Frequently Asked Questions:

What are the benefits of volunteering at the auction?

Auction volunteers contribute in a meaningful way to the success of WWTAs annual fundraiser. Meals and drinks are provided for volunteers working "full time" during the event.

How long will I be working during the auction?

Unless otherwise noted, most shifts will entail about 5-6 hours of work during the course of the evening. Several shorter assignments are available for people who do not want to work a full shift. However, to qualify for free auction admission, volunteers may be asked to work at least two part time shifts. Most volunteers will start setting up and training at 2:30-3 PM.

Do I need to be a WWTAs member to volunteer?

No. Anyone with an interest in WWTAs mission is welcome to volunteer.

How can I volunteer and still participate in the auction?

A number of shifts are available that will allow you time to bid. If you would like to help but don't want to miss bidding on that special item, let us know and we will work with you!

Are there volunteer needs before the auction date?

Absolutely! Volunteers are needed for auction procurement, registration packet assembly, and much more. Contact auction@wwta.org or call 206.545.9161 to get involved.

What's the dress code?

Great question - its generally open to interpretation. This is a Seattle-style-casual-cocktail-attire type of evening. So leave your pearls at home, but dress "nice."
